# SING EASY KSVP2
STATE-OF-ART ENTERTAINMENT CENTER

We have been re-inventing traditional karaoke systems to become a simplified and user-friendly form of karaoke for home use, for this reason, the KSVP2 is the most advanced entertainment center in the market.

Sing Easy KSVP2 is a state-of-art entertainment center allowing you to enjoy any kind of entertainment such as singing Karaoke, watching Netflix, YouTube and/or IPTV, hearing music from Spotify and/or Joox, or even browsing the Internet using Google Chrome from a single device.
